

Invitation to St Nicholas CEVC Primary School PTFA Welcome Meeting - Friday 28th June at 14:30

We are excited to announce the re-establishment of the School's PTFA!

With the expansion to becoming a Primary School, we are delighted to kick start the reorganisation of the Parent, Teachers and Friends Association.

Our main goal is to garner support and generate funds for our school, whilst strengthening family-school partnerships through events, fundraising, programs and community driven activities. In doing so, creating opportunities to enhance the quality of education for all the children, improving their school life and experiences.

We are holding a welcome meeting on Friday 28th June at St Nicholas School in the main hall, to provide more information on the PTFA, its significance for our school and the many ways in which everyone can participate and contribute.

It will provide you the opportunity to express your opinion on making the PTFA a success and to ask questions. Our aim is to have the new PTFA organisation up and running for the new school year in September. As parents we are all automatically members of the PTFA and we are keen to encourage educators, students, and friends to get involved and join our not-for-profit Charity parent association.

We are counting on your support and enthusiasm to make the PTFA a success to enhance the overall school experience for our children. We are so looking forward to creating a vibrant and supportive school community, so please join us!
